Washington, DC, and New York - 2025

Dear Parents and Students of Freedom Middle School's 2024-25 8th Grade Class,

I am excited to announce that Freedom East Coast Trip students are traveling to Washington, DC & New York City, to engage in history and government firsthand. This learning program is a once in a lifetime opportunity for your child to experience the power of travel!

Throughout our experiential journey, students **will**:

- Explore the rich culture and heritage of our great nation
- Discover important national treasures such as Arlington National Cemetery, the Lincoln Memorial, the Empire State Building and the Statue of Liberty
- Gain a deeper understanding of how our history and citizenship impacted the shaping of America

I have chosen School Tours of America as our travel planner due to their decades of experience, outstanding safety record, and exceptional customer service. Our tour is non-school sponsored. I will lead our group, along with other chaperones as needed. In addition, representatives from School Tours of America will be available throughout our entire trip.

Space is limited. Register online now at SchoolToursOfAmerica.com, or complete the enclosed registration.
